

MOSTER185 FACTORY-R *MY25*

MORE TORQUE FOR YOUR THRILL

The Moster185 Factory-R is synonymous with high performance and unique design. It is a product of pure excellence, featuring high-tech components such as carbon fiber parts, titanium hardware, and CNC machined from solid components.

With a racing spirit, it is designed for pilots who seek top-tier performance and love flying with a premium product.

The Moster185 Factory-R stands out with its bold and distinctive aesthetics. In addition to its chrome exhaust, it comes in six different colors: red, orange, gold, silver, green, and blue.

The MY25 version introduces upgrades that further enhance its quality, durability, ease of maintenance, performance, and comfort.

Every detail has been refined to deliver a one-of-a-kind engine, meeting the expectations of professionals and the most demanding pilots.

Cycle	2 strokes
Displacement	184,7 cc
Power	27 HP at 8.800 RPM
Air intake	Carbon fibre airbox silencer Diaphragm carburettor Reed valve intake
Cooling system	Air cooled, flow extraction from propeller, cooling shroud included
Starter	Manual: 3S (Soft Starter System)
Transmission	Poly V-belt system with centrifugal clutch
Reduction	1/2,87
Exhaust pipe	Tuned exhaust system, fully chromed Double joint system, double rib reinforcement system Silencer pipe in carbon fibre EGT sensor threaded hole
Fuel	Unleaded gasoline with 1,5% synthetic oil (Motul800)
Fuel consumption	3,3 litres/hour at 30 kgs of static thrust, prop. 140 cms at 5.250 RPM (2 blades)
Weight	13,8 kgs
Static thrust	96 kgs prop. 140 cms at 8.800 RPM (2 blades)
